A BACK UP FLAG FOR THE COLONEL

FRANK DOWNS' CONTRIBUTION: Stands against the gravestone which is near the Town Hall, in Wildwood Cemetery.

There was an extra flag in the cemetery, Monday. It was placed at the gravestone of Mrs. William Blanchard, by a 13 year old boy named Frank Downs.

Frank just didn't know whether or not there was a flag being put up for Colonel Blanchard, and he figured that the Colonel was buried beside his wife - so he put up a flag to be certain the Colonel was being honored on Memorial

Day.

A few weeks ago Frank was flunking in U.S. History. He didn't know what to do. His mother asked her boss, who suggested that he write a story of Wilmington and the Revolutionary War. Clippings could be gotten from old Town Criers.

Frank was delighted. He prepared a paper, and turned it in at school. He was awarded an A

and it was a part of the exhibit in the North School, last night.

That history introduced Frank to Sergeant William Blanchard, who was the Sergeant of Wilmington's Company of Minute Men, on March 18, 1775, and who fought at Merriam's Corner, in Lexington, with the rest of the Wilmington Minute Men.

Sergeant Blanchard, Frank learned, went on to become the

Colonel commanding the Fourth Middlesex Regiment, in later years, and lived at the corner of Federal Street and Middlesex Avenue. He was probably the man who planted all the lilac bushes now in blossom.

A man who had done so much for his town, and his country deserves to be honored, is Frank's opinion. And he made certain of it on Memorial Day.

Higgy had a Place of Honor on the Reviewing Stand

Mrs. Madeline Higginbotham didn't March, in Monday's Memorial Day Parade. She rode.

The former president of the Auxiliary of the Veterans of Foreign Wars was singled out for a ride, in one of the cars in the parade, in her fortieth annual appearance. At the end of the parade Higgy was escorted to the reviewing stand, where, among the rest of the brass, she viewed the parade participants.

The Intermediate and Elementary Bands provided the music as far as the High School and they then disappeared behind the school, leaving the Crusaders and Swordsmen to provide the

music for the rest of the distance. The High School Band made no appearance. It was wonderful marching weather.

A little cooler Please

Bill Hooper, Secretary to the Planning Board, arrived at the Planning Board meeting a few minutes early, Tuesday night, to start up the air conditioning unit. It was very hot in the old school-room of the Mildred Rogers School when Bill arrived - but it had been a hot day.

Bill got the air conditioning machine going and things promised to improve.

After ten minutes had elapsed it was evident that something was wrong. Bill checked the air conditioner - just in case it might be running backwards or something. It wasn't.

Then he checked the heating system of the school. Yes - it was going full blast!

Cancer Crusade starts June 4

The Chairmen, Co-ordinators of the Wilmington Crusade Against Cancer are: John C. Lavalley, Vice President of Commercial Bank and Trust Co.; Anthony DeLuca, Wilmington High School Administrator of the Work Study Program; David Elfman, Lawyer and Richard Storms, Navy Recruiter.

The Wilmington Crusade against Cancer Day will take place during the week of June 4th. This is the week when volunteers will go from door to door seeking donations to help fight and beat this dreaded disease.

Hopefully, the beach opens June Tenth

The Town Beach, near the Mildred Rogers School, is not open, according to Ron Swasey, Recreation Director. Too much cleaning up of the beach, and other work has to be done.

Hopefully, Swasey says, the beach will be opened to the public on June 10th. In any event it will be opened the following weekend, on a continuing basis.

Swasey warned against swimming at Baby Beach, near the foot of Grove Avenue. There is a lot of broken glass, left by vandals, which will be cleaned up. No life guards are stationed at Baby Beach.

Vandalism is the key to the delay.

Measles Clinic Saturday

A special clinic for children who received the measles vaccine before they were one year of age will be held on Saturday, June 3rd from 9:30 am to 11:30 am at the Board of Health Office, Town Hall Annex (Old Library), 150 Middlesex Avenue.

During the years 1963-66 it was recommended that measles vaccine be given to children as early as nine months of age. It has since been found that immunization before one year of age interfered with protective levels of immunity. Since many cases of measles are now occurring in this group, it is recommended that any child who received measles vaccine before the age of one, be immunized again, unless he has already had the disease.

Dick Badiali wins gold Medal

Dick Badiali of Marcia Road won a gold medal, in the White Stadium in Boston last weekend, in the 120 yard Class D low hurdles. Dick was Wilmington's first runner, in 15 years of competition, to win a gold medal at the Stadium.

He put forth a tremendous performance in the semi-finals to win the heat and came back with a record smashing 20.5 seconds to win in the finals, and gain his gold medal. The record, however, was disallowed by the judges because of a wind which exceeded the minimum allowed.

Badiali and Jack Barry will compete in the State Finals, Saturday, representing the Wildcats of Wilmington High School.

Jack Barry and Rick McCully, both in high hurdles, ran strong races last Saturday to qualify for Monday's finals. Barry placed second in the semi-final heat, and fourth in the final. McCully, an outstanding high school freshman was eliminated in the semi-final, gaining a fourth, which put him just out of the contention.

Rick Kean and Doug Spring competed in the two mile race, with Rick running the final mile with a severe cramp. He finished in the respectable time of 10:32, enough to give him 16th place.

Doug Spring set a new Wilmington school record of 10:28. He just missed placing in the top ten, and a chance to enter the semi-finals.

Planning Board Projects

Planning Board Agrees to Agree

The Wilmington Planning Board, Tuesday night, had an almost executive session (no other business) and discussed their projects of the past, and what they would like to do with those projects in the future.

The board agreed that in a meeting to be held shortly, an agreement will be made as to which project takes Number One position on the Planning Board worklist, and projects after that are to be listed.

Nearly all of the members agreed, for instance, that the mtown should vote for an Official Map, which would eliminate all present "paper streets". But Bill MacKinnon didn't agree - because, he said, A. Daniel Gillis, now a Selectman, is not in favor of an Official Map.

The discussion was started by Bill MacKinnon, who told the other members that they were spending too much time in rubber stamping documents and talking to people who come in to Planning Board meetings.

MacKinnon's top priority project is to slow down or stop the number of individual house lots that get signed into plans, each year - in other words to slow down the housing starts in Wilmington. At the same time he wants to find out how to make the industrial areas serve the town. MacKinnon wants to find a way to get around the controversial "600 foot" rule, which the Planning Board has been imposing on Commercial development street lengths.

MacKinnon is also in favor of devising a system whereby some of the land in Wilmington could be effectively put into a "land bank" for the purpose of slowing down development. He suggested that the Water Department could take some land, that the Recreation Department could take land, and that in other ways land could be taken out of the market. "We should get a land bank".

MacKinnon's list was even longer. He is against the numerous "dumps" that he has seen around town and said that they do not "enhance" the town.

"See a shoddy, run-down, ill-kept town, and you can figure that that's the way the town is run".

Leahy: I read in the Town Crier some years ago that the Chief of Police and the Chief of the Fire Department felt that "closed ends" were better.

Grant: That was Fordham Road. It was just impossible to get circulation. On the 125 Park we did not shoot down, we attempted to get circulation. I agree with what Hanlon said - it would be

A GOOD FISHING POND SAYS GOODBYE?

THE POND: On the Corey property, between Ainsworth Road and Route 125 has been a secret fishing mecca for years, since it was discovered by Hy Jacobs.

One of the nicest and most secret fishing spots in Wilmington appears to be doomed. An old gravel pit, north of Ainsworth Road, yields up to 25 inch pickerel to knowing fishermen and does so consistently. It was discovered to have huge pickerel by Hy

Jacobs of Adams Street, half a dozen years ago.

The pond is a result of the Gravel War of Wilmington, about 15 years ago, when Route 93 was being built, and the Selectmen had some gravel regulations with teeth in them - designed, as the

Town Crier punned at the time, to while away the Stony Hours.

The pit remained, the domain of bullfrogs and catfish, until Hy discovered that there were pickerel, getting bigger and bigger from eating those frogs.

Now the pond is being drained,

by the owner, Bob Corey of Lowell. Corey filed plans for the drainage with the Town Hall last year, and worked started last weekend. Soon, perhaps, there will be no home for those huge pickerel.

Spring Hockey

Pee Wee A's: Wilmington's Pee Wee A hockey team started the second half of their Spring League with an easy 9-0 victory over Chelmsford to extend their seasonal record to 7-1.

Couch Rossi's skaters scored a pair of first period goals, exploded for four in the middle stanza and closed out with three in the last period. The right wingers had a good game as Mike Carlin, Jav Walden and Greg Moulton scored two goals each, while Brian Tighe, Tom Gracia

and Bill Blaisdell scored once apiece.

Paul Sullivan and Steve Foley each assisted on two goals. Receiving one assist in the onslaught were Ron Marasco, Tom Bavota, Moulton, Carlin, Tighe, Blaisdell and Gracia. Paul Gilson and George Ravagni combined in the nets for the shut-out.

The Pee Wee's next game will be played tomorrow evening at the Youth Arena when they skate against Winthrop in a 5:10 pm face-off.

In scoring stats thru the first half of play, Brian Tighe led in

points, 14 on nine goals and five assists. Mike Carlin was the top goals getter with ten, while picking up an assist. Tom Gracia (4-5), Ron Marasco (2-7), Paul Sullivan (1-6), Steve Foley (1-6), Bill Blaisdell (3-1), Greg Moulton (3-1), Roy Robson (0-4), Jav Walden (1-2), Tom Bavota (0-3), Paul McMahon (0-1) and Steve Kennedy (0-1) round out the team scoring. Gilson (1-80) and Ravagni (1-94) played very well in the nets as their goals against averages indicate.

Squirt B's: The Squirt B squad dropped another game, this time to the Reading B's. The 4-1 score obscures the fact that this was a well matched contest. Only Wilmington's repeated inability to finish off some well started passing plays prevented a closer outcome. Dick Gunn's gunners scored first very early in the game on a break away by Doug Wiberg.

Reading subsequently answered back with four goals which were well spread out over the remainder of the contest. Goalie Matt DePasquale continued his fine play in the net.

The next game is this Saturday at Hockey Town in Melrose against Manchester in a 6:40 pm face-off.

Doug Spring easy Winner

Over forty people braved the blistering sun to vie for trophies and medallions in Wilmington's Third Annual Marathon last Sunday afternoon at the Town Park.

Doug Spring, a freshman at Wilmington High School and an outstanding track man, finished in first place in the 15 to 19 group which ran the 5 mile plus course beginning and ending at the Town Park.

Doug finished in a good time of 35:26 with Steve Gustus coming in second and Robert Walsh third.

Seventeen runners set out on the 1 1/2 mile course for the under 11 group with Brendon Kelly taking first place honors with a winning time of 13:04. Second and third place awards went to Michael Sullivan and Gary Hastings.

Other finishers in the under 11 category were: David Staffiere, Linda Staffiere, John Peterson, Pat Nicholas, Maria Donnelly, Megan Donnelly, Robin Ready, Diane Fiorillo, Laurie DeJongh.

High School Sports

Track: Five varsity runners took part in last weekend's class C trial at Boston. Rick Keane and Doug Spring competed in the two mile. Rick ran the final half mile with a severe cramp, finishing with a respectable time of 10:23, good enough for 16th place. Doug set a new school record at 10:28. He just missed the top ten and a chance to enter the class finals.

The freshmen edged Lawrence Voke last week, 57-56 for the second consecutive triumph. Rick McCully picked up three firsts (220, long jump and low hurdles) to pace the younger Wildcats. Other firsts went to Steve Coville (440), Ian MacInnis (880), and Don Capone (triple jump). The Wildcats took

the meet on the strength of a 21-15 margin in second place points, while each squad split twelve third place points.

Baseball: The varsity closed out their season with a pair of 5-4 triumphs over Dracut and Andover, good enough for a 8-6 conference record, which placed the varsity in third place only one game out of tourney berth. Coach Gilligan turned in a very fine coaching job in his seventeenth year at the helm, considering the lack of experience in the pitching department.

The javees finished at 4-9, while the freshmen won their third in a row, 13-2 over Andover West Junior High. Coach Melzar's tros nine are 3-6 on the season with only today's encounter with Tewksbury left on the slate.

SOCCER TEAM TRIUMPHS OVER UNDEFEATED DEDHAM

Wilmington's Boston Area Youth Soccer Team put together a supreme effort last Sunday and triumphed over previously un-

defeated Dedham, 4-2.

Wilmington's first goal was scored by Barry Aruda with assists going to Tom April and Bob Pigeon. The second goal was scored by Tom April with assists going to Mark Kalkanajian and Rick Vertis. Tom April tallied again, this time being assisted by Bob Swisher and Barry Aruda. Wilmington finished its scoring when Barry Aruda banged one in on a penalty shot.

Dedham did its scoring late on a penalty shot and a good shot from inside.

Howie Coombs played an outstanding game as did Mike Walsh, Bob Pigeon and Rick Vertis on defense.

Coach Lipski is very proud of his team and feels that they should prove to be a contender for the Northern Division Title. They now have 3 wins, 1 loss and 2 ties a record that trails Dedham only. Dedham has 4 wins, 1 loss and 1 tie.

On Sunday, June 4th, the boys will travel to Wayland for a 2 p.m. contest.

Softball

Tuesday, May 23rd

Compugraphic edged Brewster's 5-4 behind the stout hurling of John Loder. Dick Butt paced the Compugraphic attack knocking in two runs on a pair of hits. Larry Driscoll knocked in two runs on a late game double as the Brewster men's late inning rally fell short.

K of C ripped Polychemical, 22-0 behind the two hit pitching of Jim Hatchey. Don White led the Knights with four hits, while Hatchey had three hits including a three run homer. Dave Orndorff, Stan Riley and Paul Smalley each slammed out three hits to aid the offensive show. Bill Landry got both of the Polychemical hits.

In the nite cap Soderholm edged Wedgewood, 3-2 pushing across the winning run in the bottom of the tenth to dissolve a 2-2 tie, which had been in effect since the top of the fifth. Jim Murray was the complete game winner, while Jerry McPhee took the loss in relief. Dick Ethier had two hits for Soderholm.

HE WHIPPED TWELVE: Bob Reid, of the undefeated Tigers, in the Senior Little League, whiffed twelve men in succession, last Friday at the West Intermediate School, after starting with three on. It was his first complete game as a pitcher. And it happened on his daddy's birthday!

Little League Hi-Lites

Seniors: The Tigers extended their unbeaten streak to seven behind the pitching of Ken Peters and Bill Alerd in victories over the Red Sox, 10-4 and the Orioles 16-3.

The Indians picked up their initial win of the season edging the Orioles, 4-3 and then followed with a 9-2 triumph over the Orioles, while picking up a forfeit win against the Yankees.

The Orioles lost their sixth in a row bowing to the Yankees, 14-2 who received fine pitching by Bill Sinopoli. The Red Sox topped the Yankees, 8-1 behind Marty Tildslev's hurling to cop the week action.

Majors: The race for first place tightened as the Twins won 3 of 4 outings, while the Orioles split

a pair. Shut out pitching by Greg Moulton and John Mulano paced the Twins 6-0 victory over the Red Sox.

The Twins also beat the Yankees 5-4 and the Tigers, 11-2 despite home runs by the Yankees' Brian Tower and the Tigers' Gary Clinch. However, the Twins suffered a setback by the Indians, 9-5.

Meanwhile, the Orioles nipped the White Sox, 3-2 and lost to the Yankees, 8-7.

The Angels bested the Red Sox, 4-2 on the pitching of Dave Rounds, to tie the Orioles for second place, one-half game behind the Twins.

The Tigers, led by Ritchie Speer's round tripper, beat the erratic Indians with five runs in the last inning, 9-8, and the White Sox clubbed the Yankees, 17-1. Jeff Noelcke had a White Sox homer.

Farms, West: Scott Peters singled home two runs in the last of the sixth inning to give the Dolphins a 6-5 win over the Penguins. The Penguins beat the Seals, 10-6 and the Marlins, 16-2.

The Dolphins handed the Seals their initial loss of the season, 13-3, while the Seals whipped the Marlins, 9-2.

Farms, North: The Owls knocked the Ravens out of first place with a 20-3 romp. The Crows, came up with their first triumph, an 11-3 win over the Hawks.

Knots and sap streaks in wood they look beautiful but they demand special treatment.

For example, never try to paint over these knots and streaks until you have us, some sort of sealer. Otherwise, your paint job will eventually be spoiled by brown marks left from bleeding of these knots and streaks. Your paint may peel too.

Shellac is as good a sealer as any. Use it to touch up the wood before you try to paint.

PLANNING BOARD

(From Fr. Page)

great if you could get contiguous property to develop the circulation. Grant felt that the Selectmen should exercise their powers to lay out roads, and that the developers could then be told "this is what you get".

He referred to the extra lot, on Park Street, which was left for an emergency exit for Fordham Road.

MacKinnon changed the subject. What I'm trying to do is to get a position where we can stabilize taxes. If we ran our business the way we run these I think we would all be broke.

Grant: We have planned a lot - accomplished a little.

MacKinnon was talking of taking various properties, in order to cut residential expansion. Grant observed that the easy way to do this would be to take for recreation - then the Federal government would pay for half.

Grant asked each member for opinions on what should have No 1 priority.

Hooper: Housing bothers me more than anything else. Take the land off the market.

Leahy: No 1. Update the subdivision specifications. No 2. Update the road construction specifications. No 3. Review the proposed location of new roads. No 4. Review the application forms (for plans).

Hooper: Update regulations. Official Map, an East-West cross-town road, a Green Belt zone. Update Street names; update the Land Use map; and seventh - solve the Parking Problem in Wilmington Center.

Hanson: Official Map. Get the CPAC going. Improve Street lay-

outs; and Apartments - not the PUD proposal, but just apartments. Get our own article in, on zoning before someone else does, as we have previously discussed this.

Mort Grant suggested as the Number One Priority the getting of the Selectmen to lay out streets in the industrial projects - as a first. His second item was the Official Map, to eliminate paper streets.

WILMINGTON STUDENTS RECEIVE DEGREES

Seven Wilmington students were among those awarded undergraduate degrees at Commencement Exercises held on May 27th at the University of Massachusetts at Amherst.

Included were: Susan M. Beers, 3 Truman Road; Theodore J. Buczynski, 14 Marcia Road; Edward F. Gallagher, 14 Muse Avenue; Diane Houle, 60 Chestnut Street; Susan L. Keane, 6 North Street; Robert H. Peters, 5 Grant Street and Ann L. Robertson, 100 Woburn Street.

TOP PRIZE WINNERS: At the Liberal Arts Show, in the North Intermediate School, yesterday. L to R: Lisa Gubellini, of the seventh grade, First Prize. She had an exhibit on the effect of lighting on plants. Daniel Schwartz of Pilling Road, an eighth grader, took second prize, with his exhibit on stroboscopic effects. John Campbell, a 7th grader, won third prize with an exhibit on DNA (which he couldn't spell). John lives on Birchwood Road.

WALTER PIERCE TO ADDRESS ACLD

There are 75 youngsters presently enrolled in the Wilmington Program for Children with Learning Disabilities and by fall it is expected that the number will exceed 100.

How is the Learning Disability Department going to cope with such a large number with only a small staff?

With the hope of shedding some light on the problem, the Wilmington ACLD have invited Superintendent of Schools to be the guest speaker at their June 13th meeting.

Mr. Pierce will explain the school budget with regard to Learning Disabilities for 1972-73 and will attempt to offer information on how the school system will meet the increasing need for more trained professionals in the field of learning disabilities.

The meeting will begin at 8 pm in the Library Conference Room. It will be the Wilmington ACLD last meeting of the year. The public is invited to attend.

For further information, call Mrs. Murphy at 658-6323.

Basic Study of Book of John to be offered at Library

Due to the interest in the study of the Bible shown by adults and young people at a recent Rally at the High School, Library facilities have been offered for a "basic" review and study of the Gospel of John.

The four week lecture series will begin on Thursday evening, June 8th from 7 to 8:30 and will continue on June 15th, 22nd and 29th. The study will be conducted by Rev. Warren West, graduate of Godron Seminary and an Harvard Divinity School and Father Lawrence Drennan of St. Dorothy's Parish. Lectures will be held from 7 to 8 and will be followed by open discussion from 8:30. The program is open to all residents of Wilmington. For further information, call 658-5288.

SUSAN MARTIN IS GRADUATE NURSE

Susan Martin, daughter of Mr. and Mrs. Ralph Martin of 285 Salem Street graduated on May 24th from the Lowell General Hospital School of Nursing.

Miss Martin, a 1969 graduate of Wilmington High School plans to begin work on June 5th at the Youville Hospital (formerly Holy Ghost Hospital) in Cambridge.

SUMMER HEADSTART

The Wilmington Public Schools will again operate a Summer Head Start Program for children who will be entering kindergarten or elementary school for the first time in the fall.

Present OEO guidelines require that children from economically disadvantaged families be given first priority for enrollment.

All families interested in enrolling their child should call Joseph Connolly, Head Start Director, at 658-3494; or contact the Woburn Street School where applications will be available.

Deadline for receiving applications for this year's Headstart Program will be Monday, June 12th.

SAMUEL H. MAXFIELD RECEIVES MASTER'S

Samuel H. Maxfield of 34 Veranda Avenue was among the more than 1100 students of Salem State College to receive undergraduate and graduate degrees on Saturday, May 27th.

Mr. Maxfield received his Master of Education-General Studies-Education degree.

CARD OF THANKS
 We want to express our most sincere thanks to those who have extended their sympathy to us in our recent loss through cards, personal messages, spiritual offerings, prayers, and contributions to the Wilmington Hospital Building Fund and the Greater Lowell Council Trust Fund of the Boy Scouts. We cannot tell you how much all of these mean to us.

FUNERAL SERVICES
FOR GRACE FERRARA

Mrs. Grace M. Ferrara of 500 Woburn Street passed away at Winchester on May 29th, following an extended illness. She was born in Palermo, Italy 75 years ago, the daughter of the late Fabrizio and the late Maria Scianna DiFranco. She had resided on Woburn Street for the past 29 years.

Mrs. Ferrara was the wife of the late Frank M. Ferrara and is survived by her five children: Mrs. Grace Kirkland, Mrs. Mary Eddy and Frank Ferrara all of Wilmington; Anthony of South Boston and Frederick of Portsmouth, New Hampshire; also 10 grandchildren and 5 great grandchildren.

The funeral was held from the W.S. Cavanaugh & Son Funeral Home, 374 Main Street this morning (Thursday) at 9:15 followed by a Funeral Mass at St. Thomas' Church at 10 celebrated by Rev. Edmund Parker. Burial took place in the family lot, Wildwood Cemetery.

ELSIE E. GRANT
PASSED AWAY IN LOWELL

Mrs. Elsie E. Grant of 110 Lakeview Avenue, South Tewksbury died shortly after arrival at St. John's Hospital on Monday morning. Mrs. Grant who was 78 years of age at the time of her death, was born in New Brunswick, Canada, the daughter of the late Alden and the late Annabell (Grant) Belnis. She had resided in New York before taking up her residence in South Tewksbury 11 years ago. Mrs. Grant was a member of the VFW Post No. 8164 Auxiliary of Tewksbury.

She is survived by her husband, John A. Grant, two daughters, Mrs. Eileen Conway of Cambridge and Mrs. Carol Rodriguez of New York; two sisters, Mrs. Pearl Crowley of Portland, Maine and Mrs. Manola Stepp of South Tewksbury.

The funeral was held from the W.S. Cavanaugh & Son Funeral Home, 374 Main Street on Wednesday morning at 8:15 followed by a Funeral Mass at St. Dorothy's Church at 9 am celebrated by Rev. Father Lawrence Drennan. Burial took place in the family lot, Wildwood Cemetery.

recognize
a Realtor.

It's easy. If you don't know what a Realtor is. He's not just anyone in real estate. He's the professional. The one with experience and expertise, who is pledged to the strict code of ethics of the National Association of Real Estate Boards. If he weren't, he couldn't be a Realtor.

That's good. Especially when he's working for you. Because you can relax, knowing your best interests are being taken care of, ethically, professionally.

There's no better way than that, is there?

SWAIN SCHOOL YOUNGSTERS
MEET THE HURRI-CAIN

BOBBY CAIN: (Closest to the camera) shows eighth graders what the engine of the Hurri-Cain looks like.

One of the world's most powerful cars, the Hurri-Cain, was on exhibit at the Swain School yesterday, with Bobby Cain, the pilot who drove it at 214 miles an hour a few days ago to explain the car.

and sign autographs.

Bobby Cain won the World Cup Meet in Sinair, Canada, on May 21st. His speed was 214 miles an hour, in elapsed time of 6.89 seconds.

Bobby and his mechanic, Dick Perrault, exhibited the car to all the classes in turn. They even started the car, and drove it around a little, for the youngsters. Each class had its turn.

(From Page 6)

Meanwhile, Back at the Hut: Ma had to do a stint on OT for Uncle Sam this weekend which cut her out of some of the activities, but she managed the fun between.

Party for the No. One Son-Clan and friends on Saturday and she's still limping from that Charleston. - Seems like those lads are still confused about that "39 and holding". - Some of 'em think this Gal should know how to Charleston and others that Rock 'n Roll - Well? No. Two asked her on her 29 and holding. "Did they have pillows when you were a little boy, Ma?" Do va spouse they're trying to give her a message?

Anyway, then a cookout with one of her new friends on Sunday for supper on the patio with the Fortunata's on Monday, while the Clan was laying around on the floor at the Hut water logged and sunburned from their first sojourn to Kingston Park.

So tho she had to run the parade for the first time in 20 - oops - well, anyway, a lot of years - She had a great weekend. Hope your's was too!

So, if they don't start a board-in program at the live-out cooler, see va next week (Eeks - that sentence should run our pretty soon!)

Meanwhile - Miss va. and - Luv va! Um hum! Sign!

YOUR PHARMACIST SPEAKS

If obesity is a problem for you, you may realize just what agony

keep unwanted poundage off in the first place than to try to take it off after it has arrived.

The weakness of most reducing diets is, of course, that they are temporary. To go on a crash diet is not to set up eating habits that will last.

Set up instead a plan of eating habits that will be easy for you to maintain and will still serve the purpose of getting rid of extra pounds. It is the only way to make a good diet last.

Make it a good habit to shop at Silver Lake Pharmacy, 52 Main St. Wilmington. Candies by Whitman and Candy Cupboard.

STAMPS AND STORIES

A book for stamp collectors that has wide appeal for both novice and long-time philatelists is currently being made available by the U.S. Postal Service by mail order. It was announced this week by Postmaster Leo H. Murray.

This is the first U.S. Postal Service Book to fully illustrate U.S. Stamps in color and list values on each issue from 1847 to mid-1972.

"Stamps and Stories" the exciting saga of U.S. History told in stamps was prepared for the U.S. Postal Service by the editors of Scott Publishing Co., the nation's oldest printer of stamp catalogs.

While all of the pertinent philatelic information is included, the book extends far beyond the range of a catalog. The book contains illustrated stories covering many highlights in history that have been portrayed on stamps. The book also has a chapter titled "How to be a Happy Stamp Collector."

Stamps issued by the Confederate States of America are reproduced as are those of the United Nations and a sampling of stamps from many countries.

The book has 224 pages and is convenient pocket size. It may be ordered by mail from the Philatelic Sales Unit, Washington, D.C. 20036, at \$2.00 per copy plus a handling charge of 50 cents per order.

Wilmington High School GIRLS VARSITY SOFTBALL TEAM

CARLENE BUTLER: Slams a double to right, for one her three hits in last week's softball game with Burlington.

1972 GIRLS SOFTBALL TEAM: With Coaches, Miss Daddi (left) and Miss Garipis. The ballboy is Peter Arvanitis.

JOANI BELLISSIMO: Warms up the pitcher between innings of last Thursday's softball game with Burlington.

The girls lost both of their recent outings, 6-5 to Burlington and 20-3 to Methuen and are now 2-5 on the season. In the Burlington encounter the varsity pushed across three runs in the last inning to close a four run deficit to one, but their rally fell short.

Sally Farnsworth was the losing hurler. Carlene Butler led the offensive attack slamming out three hits, while Lori McNabb and Patty Pintrich chipped in with two apiece.

The varsity was plagued by errors, which proved to be very costly in their loss to Methuen Tuesday afternoon. Miss Farnsworth was the tough luck loser. Joani Bellissimo belted out three hits including a homer, while Patty Pintrich and Doria McMillan had a pair of singles each.

The girls return to action this afternoon hosting Bedford with hopes of getting back into the win column. The game will get under way at 3:15 at the high school.

SALLY FROST: Swings and rips a single in last week's softball game with Burlington.

Melrose - Wakefield Bank opens Reading and Tewksbury sites

The Melrose-Wakefield Trust Company was the successful bidder for the closed Reading and Tewksbury sites of the Surety Bank. The bids were accepted by the Commonwealth's Commissioner of Banks, Freyda P. Koplow, last Friday afternoon. At nine o'clock the very next morning both sites opened as the Melrose-Wakefield Trust.

Late that Friday, Melrose-Wakefield Trust officers and employees arrived on the scene with their private cars full of equipment and supplies. F.D.I.C. signs announced the arrival of representatives were already at the 580 Main Street office making ready to receive ex-Surety safe deposit customers the next day. Surety signs were down by mid-night and hastily prepared window signs announced the arrival of the new bank.

The bank was founded over a

century ago as the South Reading Bank, reported Robert L. Ramsdell, President. In 1902, it became the Wakefield National. After applying for a State Charter in 1916, it was known as the Wakefield Trust Company. Mr. Ramsdell further pointed out.

In 1946, the then Wakefield Trust became a member of the Shawmut Association along with such outstanding area banks as the National Shawmut of Boston, Lexington Trust, and County Bank, N.A. based in Cambridge.

In 1968, the Bank merged with the Melrose Trust thereafter known as the Melrose-Wakefield Trust. "Behind our own assets of \$42 million," said Mr. Ramsdell, "is the support of Association assets amounting to nearly \$2 million."

Commenting on the new Melrose-Wakefield Trust sites, Carl Vik, vice president and trust officer, said, "Many factors combine to make this particular bank a substantial addition to the Reading-Tewksbury areas. We know these towns well. In fact, a significant segment of the residents and industry there are already customers of this bank."

Mr. Vik went on to point out that as a Shawmut Association Bank, Melrose-Wakefield Trust brings into these communities not only the services they have come to expect from a commercial bank, but also the newer, more sophisticated services made possible by Shawmut's resources and their Boston-based computer facility.

In addition to the Bank's Wakefield headquarters, there are three offices in Melrose, one which is part of the American Mutual Insurance Company on Route 128, and a new office of contemporary design just opened in March on Lowell Street in Wilmington. Availability of the Reading and Tewksbury sites through the liquidation of the Surety Bank has speeded what was a maturing plan for the bank.

Robert L. Ramsdell, the Bank's president, is a native of Wakefield and has resided in Reading and Wilmington. Mr. Ramsdell attended Bentley College and the Graduate School of Banking at Williams College. As a member of the U.S. Army during World War II, he took part in the invasions of North Africa, Sicily, Belgium and Germany and was a Bronze Star recipient for his European service in 1944.

Mr. Ramsdell joined Melrose-Wakefield Trust in 1937 and served as assistant treasurer, vice president and executive vice president until 1964 when he was elected president and director. He has been affiliated with the National Association of Auditors and Controllers and the Eastern Middlesex Association of Realtors. Mr. Ramsdell is also a member of the executive committee of the Mass. Bankers Association and trustee, vice pre-

sident and executive committee member of the Melrose-Wakefield Hospital. He has served as president of the Wakefield Chamber of Commerce and is currently a director of Wakefield Rotary as well as the new president of the Hartshorne House Association.

Serving as directors of Melrose-Wakefield Trust are: Marcus G. Beebe, partner, Beebe, Blakeley & Forbes; Russell S. Carv, certified public accountant; James R. Cochrane, president, Servent, Inc.; George J. Evans, trustee; Moses M. Frankel, attorney at law; Donald S. Green, president, D.S. Green Company; John M. Hughes, secretary, N.H.
